	no longer recording meetings.	
17.6	The Chairman made the following statement:	
	Further to confidential correspondence received which has been circulated to all	
	councillors, Ellie and I read the comments and find that these are totally	
	unfounded, factually inaccurate and in some cases completely fictitious.	
	These comments relate to a period of time that Ellie and I were both serving on	
	the council and we can find no evidence of any truth in the allegations made.	
	I would like to remind councillors that we have to work within the rules and	
	guidelines set out by legislation and that we are answerable to the electorate.	
	May I also remind councillors of the Nolan principles:	
	1. Selflessness	
	2. Integrity	
	3. Objectivity	
	4. Accountability	
	5. Openness	
	6. Honesty	
	7. Leadership	
	All of us should have read these and should continue to read them periodically to	
	ensure that we follow them to the letter.	
	I would like to add that I fully support our clerk in the work that she does for this	
	council and would like to ask all councillors that we should now move on and do	
	the job that we were all elected to do.	

	She hoped that all councillors supported her in this statement and there was	
	consensus from the majority present.	
	Carrie Barnes
