

STRADBROKE NEIGHBOURHOOD PLAN REVIEW

Infrastructure Investment Priorities

As a clear expression of the community's wishes, Stradbroke Parish Council intends that the 25% of Community Infrastructure Levy contributions raised within the Stradbroke Neighbourhood Area (the 'meaningful proportion') and, where relevant, monies from other planning obligations, be used to contribute towards delivering any of the projects listed in the Parish Infrastructure Investment Plan (PIIP) which includes the significant projects listed below.

Significant Projects:

New nursery facility for Early Years and Childcare

Improvements to bus services - to open up more post-16 education opportunities for Stradbroke residents.

Improvements to Stradbroke Church – this would create greater potential for the church to be used for community activities.

Expansion of the Cemetery
