

NP Meeting 18.1.17
Minutes

Present: GRD DD RT OL SC IP

1. Data. A discussion took place as where and how the public could see this. It was agreed that GRD would write to the Parish Clerk with the solution of it being available on the village website but that it will take a little time to prepare an appropriate spreadsheet.
2. The 5 areas of interrogation of information were presented and they would be closely looked at with further suggestions for improvement

Action IP

3. GRD informed the group she has emailed 3 planning professionals - Durante, The Landscape Partnership and Birketts regarding the site assessments plus has emailed the Suffolk Wildlife Trust for assistance in identifying wildlife habitats on the sites.
4. IP informed the group that we are still waiting for the figures from MSDC for the housing needs but this should be forthcoming in the next 2 months. The government forecast growth was for 27% between 2011-36 ie 180 homes for Mid-Suffolk. These will be a minimum.
5. The first chapter of the plan should tell the story of Stradbroke which means we should not then have to repeat it in following chapters. Also within that we need to lay out the objectives of the plan and these should then be developed in the following chapters.

IP will send his feedback on our current work by Feb 8th so we can prepare the next version by the meeting on **Wednesday, Feb 15th.**

N.B. IP will not be present at that meeting.
